

## **Junior Designer, Studio**

### **Introduction**

MHP Group is the integrated communications agency built for the Networked Age – a world that’s increasingly connected, complex, polarised and activist.

We are a family of brands (MHP, Mischief, Accord) that come together seamlessly.

We lead the way in the application of behavioural science to solve communications challenges. We create strategies and multichannel campaigns to engage every audience, from consumer to policy maker, and from stakeholder to shareholder.

With 200 specialists in London and San Francisco, we are trusted by many of the world’s leading businesses and brands.

### **The role:**

We are looking for a full-time junior designer to enhance our offering and reputation for design. We pride ourselves in bringing something different to the communications arena and possess an award-winning design team who are key in supporting the wider agency as a whole.

Our aim is to provide better service and a more rounded, impactful creative solutions to all of our clients. Recent design work for clients includes E.ON, AstraZeneca, Padel, Seven Dials, Just Eat and Lego.

We are looking for a Junior Designer to be a part of this new and exciting opportunity. They will need to be highly creative and motivated with proven experience of working in a professional design agency. The position will provide an excellent opportunity to develop your design skills further, express your creative thinking and generate ideas that will make a real difference.

The exact nature of the work will be varied, from feeding into conceptual development of visual identities and working with clients, through to typesetting and artworking annual reports, working on new business presentation decks and company collateral. The role will therefore suit somebody with strong creative skills and the ability to fully engage in projects alongside colleagues.

### **Primarily, the role will entail:**

- Working within the design team to manage the day-to-day delivery of client work and our own agency work
- Supporting the wider business with design and presentation work
- Working and collaborating within client teams, providing sound design expertise and developing work that creatively answers briefs

This role will sit in the MHP Mischief Studio team which includes digital, design, creative and strategic specialisms.

**Key responsibilities:**

- Owning small to medium design projects
- Developing impactful and fresh design solutions
- Artworking materials
- Providing support on new business presentations, ensuring proposals look professional and smart
- Providing creative counsel and technical advice to clients, being a go-to contact for teams within the agency and developing meaningful relationships
- Managing relationships with production suppliers, ensuring value for money and overseeing financial administration
- Support MHP & Mischief's marketing activities, developing house materials and inputting to the branding of marketing events

**The successful candidate will:**

- Have a minimum of 1 years' experience
- Have expert skills primarily in Adobe Creative Suite (InDesign, Photoshop, and Illustrator)
- An understanding of Microsoft Office, in particular PowerPoint and Word with the ability to design presentation decks
- Have experienced working with clients on live projects
- Have experience in designing and artworking a range of materials and formats
- Have experience in supporting the development of, brand identities, guidelines and toolkits
- Strong typographic skills
- Have attention to detail and be relied upon to check work thoroughly before being presented to clients / client teams
- Be able to act quickly and responsively to client request and amends with the right creative solution – get stuck in, roll up their sleeves and ensure jobs are completed on time and to budget: a can-do attitude
- Good time and account management skills; some weeks can be fast paced sometimes working across multiple projects at one time, but this shouldn't faze you
